our events alive.*

#### AUGUST FUN FACTS:

August was named in honor of Augustus Caesar. It has 31 days because Augustus wanted as many days as Julius Caesar's month of July had. (They took that extra day from February) Previously names Sextilis in Latin, it was the sixth month of the Roman calendar.

Birthstone: Peridot

Flower: Gladiolus and Poppy

August is also related to the work "auger", a hole digging tool, because farmers dug for next season at this time every year.
