Astrological Signs:

November 22-December 21 Sagittarius

December 22-January 19 Capricorn

December is the twelfth and final month of the Gregorian calendar and the first month of winter. It derives its name from the Latin word decem, meaning ten, as December

was the tenth month of the oldest Roman calendar. The Latin name is derived from Decima, the middle Goddess of the Three Fates who personifies the present.:

NCA:

Are you interested in helping keep events alive and enjoy what this community has to offer. We are planning on having elections for our Community Association December 10. Come and help make a difference ~ Do you like our events? Do you have some ideas that could help our community? Do you have a couple hours each month and want that feeling of "giving back"? Maybe this is a perfect spot for you. Come to our meeting Tuesday December 10, at Bridges in downtown Lake Nebagamon, starts at 6pm. We have been busy with the Annual Community Halloween Party, Annual Tree Lighting plans, and Annual "Light up the Lake" contest. Coming up will be our Spaghetti Feed fundraiser for 4th Fest and the time of year to get everyone back to FREE roller skating at the auditorium. Do you think the village should have something we don't offer? Maybe start here and let us know what you would like to see change or be added.
