NEBAGAMON HISTORY SPOTLIGHT:

Trinity Lutheran Church.

For 90 years, Trinity Lutheran Church in Lake Nebagamon has been proclaiming God's love in Jesus Christ in our community. In 1931 the church was founded and met originally in the Presbyterian church. A building of their own soon followed on highway B extremely near where St Anthony's now stands. In the late 1980's a parcel of land was purchased on 1st street. 1990 saw the church construct a new building with the labor of members and people from the community. Expansions happened in 2000 and 2008. Again, the projects were done by members of the church and the community. Trinity Lutheran is a vibrant part of Lake Nebagamon with worship, and service to our community and world. The congregation is a welcoming, active, and thriving community of faith in Lake Nebagamon and beyond. As shown in photo to the left, six years of hard work by the pastor and members of Trinity Church ended in 1939 when the first services were held in the church on County Trunk Highway B near Fitch Avenue.

July - First 4th of July celebration in town in 1899:

Freddy Anderson was the Uncle Sam of the 4th dressed in a suit of Stars and Stripes making him a veritable brother Jonathan. Our city presented a gala appearance on the fourth. Rows of evergreens flanked the streets. Added to this were flags and bunting in graceful folds from trees, cornices, and windows. Abouts 250 to 300 Superior people visited yesterday to help celebrate. They were warmly received and well entertained. A program of sports had been arranged but was not carried out. The entire afternoon was spent dancing, boating and sightseeing. A large body of school children and the volunteer fire force of about 75 men met the train and escorted the visitors to the place of amusement.
