NEBAGAMON HISTORY SPOTLIGHT:

Tamburitzans

The Tamburitzans are a group of unique young people who came here each summer from Duquesne University, located In Pittsburgh, Pennsylvania.

Their leader Matt Guzay had summered across the lake at the Andy Doran place many times and decided it would be a great place to bring his young singers and dancers for a combination vacation and work.

This would be just the right place for the rehearsals and of the Tamburitzan dancers and to swim and play as well as do their summer rehearsing. This all began the summer of 1947.

After a couple of years, villagers became aware of the cultural significance of these energetic young people and the "Tammies" were asked to perform on the village green behind the auditorium, so that the people of the village could see and hear their whole program.

The Tamburitzans have given their performance here every year and as the interest has spread so widely and the crowds have been getting larger and larger it has become one of the highlights of the summer season.

The sojourns here have even led to the composition of the original song about a popular night spot. "Come to Finell's" and the bonhester song, a song written by Dick Crum about Lake Nebagamon while he was walking on the beach.

2021

The Tamburitians were founded in 1937 at Duquesne University. They take their name from the Tamburitza family of stringed instruments indigenous to the folk cultures of southeastern Europe. The group exists for the dual purpose of preserving and perpetuating the Eastern European Cultural heritage in the United States.

The students who make up the performing ensemble come from all parts of America, from various ethnic and religious backgrounds, and may study in any academic area.

They travel thousands of miles throughout the continental United States and Canada, performing 100 concerts within each nine-month season. They have also made seven tours outside the United States.

A Tamburitians performance is like a vacation in Europe. Through the magic of their music, the youthful troupe takes one into pleasant valleys to see the spinning village dances of the peasant: into the rugged mountain country to witness the high leaps and acrobatics of the mountain folk.

A two-hour musical pageant of Slavic folk music, songs and dances unfolds in rapid-fire sequence weaving a musical fantasy along the entire length of the mighty Danube River.

Brilliant and authentic costumes of the peasant folk pour forth in all colors of the rainbow, not in gaudy "showy" fashion, but in a subtle and simple true art form of the people. The Tamburitians possess what is probably the greatest assemblage of authentic peasant dress in the Western Hemisphere. Hundreds of these individual costumes are utilized in every musical production.

The Tamburitians sings a dozen different European languages and performs the music and dances of as many countries.

Using the lute-like Tamburitza instruments as the foundation of the troupe, the Tamburitians have developed what is today the finest Tamburitza ensemble in America. The Tamburitza is supported by other traditional instruments such as the accordion, the clarinet and violin.

The chanting of dissonant voices along with the hypnotic beat of the primitive goatskin drum and the haunting sounds of the shepherd's flutes add to the unusually interesting quality of their performance.

A whole family of tamburitza instruments grew as a result of these refinements. A "tamburitza ensemble" now consists of various combinations of bass tamburitzas, cello tamburitzas, "braci"

"Bisernice" etc. each fulfilling a function roughly analogous to those of various violins, violas, etc. of a symphony orchestra.

If you are in the area and want to join us in welcoming the famous "Tammies" they will be performing on stage at the Lake Nebagamon Auditorium on **Sunday August 8th @ 2pm and Monday August 9th @ 7pm.** Pre order tickets available by calling Daisha at the Village Office 715-374-3101, email dnolan@villagelakenebagamon.com or by sending a check to the Nebagamon Community Association, PO Box 442, Lake Nebagamon, WI 54849. Tickets are \$20 each for adults and \$10 or kids 10 and under.

“1899” GARDENS GOING STRONG IN LN (FUN FACTS):

Whoever thinks that corn can not be raised here should see the samples brought in by Mr. Archibald, grown at the end of town towards Lake Minnesuiung. They will compare favorable with Iowa or Illinois corn anytime.

Soren Anderson left us a bunch of rye cut from his field just east of the lake. The head are fully developed, the berry plump and perfect. Those who think we can not raise grain will do well to call and see the sample. It is the best evidence of the productiveness of our soil and will convince the most skeptical that we have certainly of a great farming future close at hand.

Persons wishing pickles or sauerkraut for winter use, can have them put up - \$2.50 per 15 gallon kegs at the A. Roberts farm, 1 ½ miles southeast of the lake.

According to statistics, the town of Nebagamon has produced 5000# of butter during 1899, 365 bushels of potatoes, 805 bushels of root vegetables, and 95 tons of hay.

How long have you been part of the department?

Joined in August of 2017

What positions and/or certifications do you hold?

Firefighter

EMR

Fire Inspector

Why did you join?

Being new to the area, I wanted to learn more about the community and form friendships.

What are you doing when not volunteering for the department? (job, hobbies, family, etc.)

When not with the department I enjoy spending time with my wife of 24 years, April. I am also a 28-year active-duty Coast Guard Marine Inspector and part-time bartender at Patti's Dockside. I enjoy many outdoor activities such as hunting, fishing, ATV riding and camping.

What would you tell someone who is considering joining the department?

The positive feelings you get from helping people is worth the time and training invested.

VILLAGE BOARD MINUTES JUNE 11, 2021 – following public hearing on 4th Ave. N discontinuance

PRESENT: Meeting called to order at the Auditorium by Village President Jim Jonasen at 6:33pm. The following answered to roll call: President Jim Jonasen, Trustees Jake Fuller, Jim Smith, Jason Vee, Eric Anderson and Bob Anderson. Trustee Adam Buchanan and Clerk Daisha Nolan absent. Also present: Village Administrator Amy Huber.

POSTING: The agenda was posted at the Auditorium, Post Office, Midland Marketplace and the Village Website.

REVIEW OF AGENDA: No changes.

PUBLIC INPUT:

- A. **Dave Dinda & Bob Kaszynski** gave input on the proposed changes to the parade route.

CORRESPONDENCE: None

OTHER BUSINESS: 4th of July events, road closures and auxiliary law enforcement officers were discussed. A proposal was made and refined to alter the parade route to start at Trinity Lutheran church instead of the Car Wash. The idea of going down Main Street was discarded as the road is too narrow for large floats.

A motion was made by Smith to approve the requested road closures on July 3rd from 8am - 12pm for the Dragin' Tail run (at intersections of Lake Ave. & Main St., Lake Ave. & Dairy Queen Dr., and 1st Ave. & Waterfront Dr.), seconded by E. Anderson. MC Fuller abstained

A motion was made by Smith to approve the requested road closures on July 4th at 4pm for the parade (starting at Trinity Lutheran Church, going down 1st St., taking a left on 1st Ave., going over Cty. Rd. B, taking a right on Camp Nebagamom Dr., taking a left on Ravine Park Drive, taking a left on Waterfront Dr., taking a left on Lake Ave. crossing Cty. Rd. B, taking a left on Railroad. Ave and a left on 1st Ave. for another loop through town), seconded by E. Anderson. MC Fuller abstained.

Motion by Fuller to create a pedestrian zone on July 4th from the intersection of Lake & Main to just beyond Dockside, seconded by E. Anderson. MCU

Motion by Fuller to give the Safety Committee power to close streets on July 3rd and 4th as needed for traffic flow and pedestrian safety, seconded by Vee. MCU

At this point, a street dance will be held if a band can be secured. Considering the 4th is on a Sunday and the dance will be on Saturday, getting an extra officer for both days was discussed. A motion was made by B. Anderson to give Pete Witt the authority to secure whatever auxiliary help he deems necessary for the weekend, seconded by Smith. MCU

INFORMATION FROM THE PRESIDENT:

- Open book will take place on Wednesday June 16, 2021 from 4pm to 6 pm in the upper level of the Auditorium.
- Board of Review will take place on Wednesday June 23, 2021 from 6pm to 8pm in the lower level of the Auditorium.
- The next regularly scheduled Village Board meeting will be held on July 13, 2021 at 7pm.

ADJOURNMENT: The board adjourned at 6:50pm.

Respectfully submitted,
Amy K. Huber, Acting Village Clerk
Village of Lake Nebagamom
