## **WORDS FROM OUR PRESIDENT:**

First thing, I'd like to give a great big thank you to our village employees who keep our community functioning, safe and well maintained.

Pat Coughlin, along with part time, temporary employees Mike Ross, Tom Tobin and Ron Cairns, do an outstanding job keeping our buildings, facilities, roads and grounds clean and maintained.

Daisha Nolan and Katy Hursh keep our office running smoothly and deal effectively with the daily issues that always crop up.

Jay Gallagher as our zoning administrator has done a dynamite job providing consistent application of our zoning code.

John Stack keeps our sewer system running smoothly and in compliance with state regulations.

Pete Witt as our Village Marshall deals with more issues than most people realize.

We are fortunate to have a volunteer fire department that is one of the best in the area.

I was doing some work at the rain garden by the beach this past Saturday and had three different families from outside our area stop by to chat. One couple did an early morning swim and said our swim raft was the best they had ever seen. Another family was staying at the campground and came down for a swim and told me how much they liked that campground and beach. The final group of four adults were impressed with the overall cleanliness and appearance of our downtown area.

I was very happy to hear all these positive comments about our community and I am proud to be a part of it, as should we all.

The Community Association for their work bringing our community together through all the activities they sponsor and direct.

The Lake Association for their work protecting and enhancing our beautiful lake.

Our Garden Club who beautifies our community through planting and maintaining our various garden areas. A special thank you to them and the other volunteers who have labored hard to replan the beach rain garden area after sediment removal with 2000 new plants!

And a final thank you the elected and appointed people on our boards, committees and commissions who make decisions affecting our community.

Jim Jonasen, Village President

## **GOLF TOURNAMENT 4<sup>TH</sup> FEST FUNDRAISER:**

Nebagamon Community Association held the annual 4<sup>th</sup> fest Gold Tournament fundraiser on August 21 between the two courses, Norwood and Bottens. Ending at Bottens with a picnic and Chinese auction. We had a good turnout of golfers, and it was a beautiful sunny day in Lake Nebagamon. Special thanks to all the hole sponsors that donated funds to help get our account building for this event we sponsor each year for the Village. The costs of everything is growing higher and higher and we are working diligently to be able to afford what we do during that week. Planning 4<sup>th</sup> fest isn't a one week event, it is working hard to get the fireworks set up, planning and having volunteers for the kid's games, gathering vendors for all to enjoy, planning the street dance and hiring the band, and spreading the word of when things will be happening, this is an ongoing process lasting all year long. Listed below are the hole sponsors and community members that donated towards the event to help with the costs of the 4<sup>th</sup> fest. Thank you to all the donated monetary gifts and those that donated time to arrange the day. Dave Dinda, Mike Ross, Lindsey Wilson, Patti Coughlin, Gail Johnson, Pam Olaf and Hayley Botten.

Benson Electric, Bottens Green Acres, Bridges Bar, Dockside, Hanco, Harnstroms, Harvs Tree Service, Ashley Johnson, Rick Khalar, Lake Life, Link Ford and RV, Maureen McGrath, Norwood Golf Course, Terri Graves, Throckmorton Manor, Poplar Auto, Rudy Run, Village Inn, Waskos, Young Plumbing.

Our day was successful but there is still a lot of work ahead and funds needed to make 2023 a great year.

Our next fundraiser is in January when we will have our annual Spaghetti Feed and hoping to continue to make that day an ice skating family party at the community ice rink. We will be looking for Chinese auction items and volunteers to serve spaghetti, so keep that in mind.

If you are willing to donate to the 4<sup>th</sup> fest week of events please send donations to NCA PO Box 442 Lake Nebagamon, WI 54849
