NEBAGAMON COMMUNITY ASSOCIATION UPDATES:

NCA UPCOMING EVENTS

December 4 @ 4pm: Village Tree
Lighting

December 16 @6pm: Fire Department
Santa Truck

*We are always looking for volunteers
or those willing to come to meeting to
keep our events alive.*

If you have any interest, care to volunteer, just want to give some feedback on what you would like to see then please join us (President David Dinda~ Vice President Mike Ross ~ Secretary Lindsey Wilson~ Treasurer Patti Coughlin): Third Tuesday each Month. Our team of leaders are all hoping to see some interest coming up in the future for community members that want to become leaders and take over planning these amazing events for our Village, would this interest you? Please let any of us know.

HALLOWEEN COMMUNITY PARTIES:

Thank you to all those that came out for both parties for our community. Mike Ross, graciously provides such a great event located right at his home here in Lake Nebagamon. He goes over and above to give the kids a fun area to walk thru, with candy, bon fires, fun décor and *creepy fun* at his haunted ship. We are so lucky to have him be involved in the community and planning for the evening at his place. Thanks to all those the helped keep the kids busy, smore making, ax throwing and our amazing crew that came and donated and set up for 'trunk or treat'...

The NCA group decorated the auditorium Monday and set up all the games for the annual Halloween Party there. Special thank you to the volunteers sitting at the games, clean up and set up crew and all those that came to enjoy what we are offering our kids in this area. Lots of candy, fun and games for the kids to safely have a place to come and show off costumes and collect treats while doing some fun activities. During the costume contest these lucky winners each received an extra gift in their envelope for catching the "eyes" of our judges.

SKATING AT THE AUDITORIUM:

Special thank you to Bruce and Kathy Carey (Lake Life Products) for volunteering so we can continue having skating at the village auditorium. The kids have been coming more each time and having a blast with the games and fun time provided by these two.
